## NURTURING LEARNING, CREATING CHANGE

### Introduction

The 2023 Annual Report includes highlights from both the **Friends of Chabot College** (foundation) and **Grant Development Office**. The two offices worked hand-in-hand to support Chabot College students and programs. From hosting our first-ever Family BBQ Picnic connecting current and aspiring Early Childhood Development teachers and K-12 educators, alumni, community partners, friends, and family to being awarded the federal Childcare Access Means Parents in School (CCAMPIS) Grant to help support the increasing need for additional infant/toddler care in the area, this year has been filled with several collaborations and efforts we hope will have a lasting impact.

None of this would be possible without our community of supporters. **Thank you!** We appreciate your generosity and look forward to sharing even more moments together in 2024!

# OVER \$95,000 IN SCHOLARSHIPS AWARDED

Photos by Michael Craig

Thanks to generous donors, Chabot awarded over **\$95,000 in scholarships** to 80 students this year! On Friday, May 12, the Friends of Chabot, Student Senate, and Office of Student Life celebrated the 2023 scholarship awardees with nearly 150 students, guests, and donors attending the Annual Scholarship Luncheon. A special thank you to all the scholarship reviewers and Scholarship Luncheon attendees!

## FUNDRAISING SPOTLIGHT

*What do your donations fund?*

In FY 2022-23, the majority of Friends of Chabot funds raised supported student scholarships and direct aid.

## IMPACT OF EMERGENCY AID

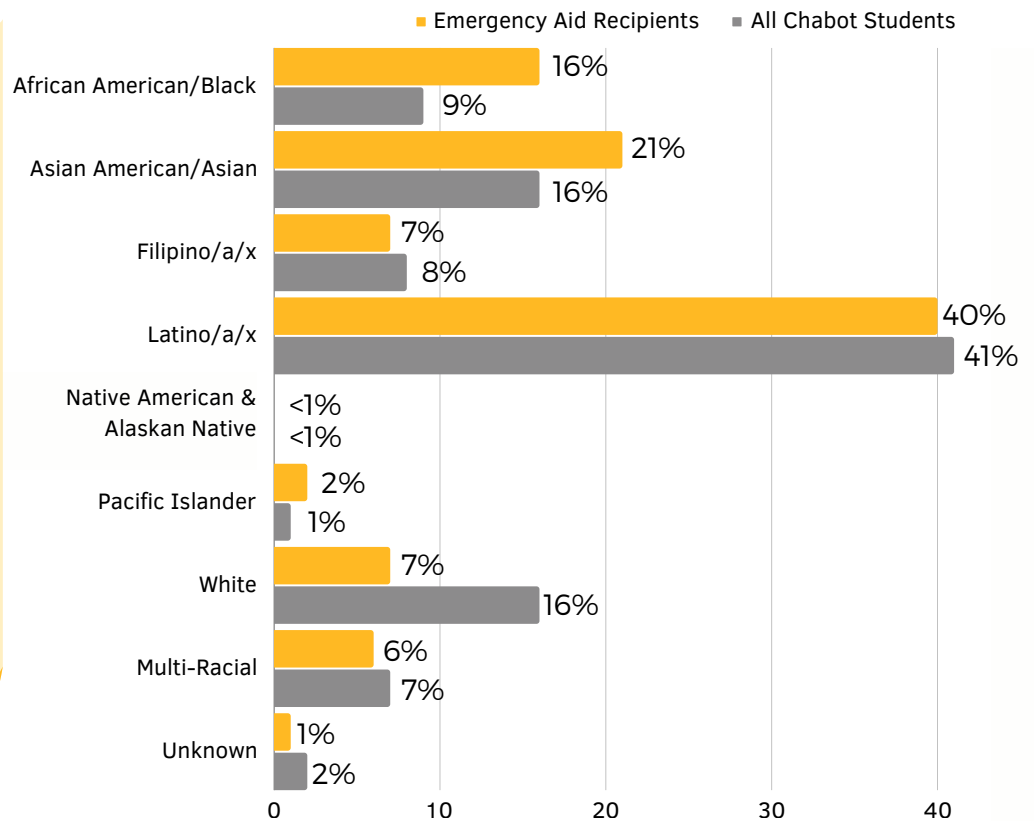

Emergency aid can make a difference! Since Fall 2020, the Friends of Chabot College has distributed over **1,964 emergency aid awards** in the form of direct cash grants. The Chabot Office of Research, Planning, and Institutional Effectiveness has provided the following snapshot of emergency aid recipients. (Data is not inclusive of Fall 2023 awardees).

## WHO RECEIVED EMERGENCY AID?

*Emergency Aid Recipients: Fall 2020 - Spring 2023*

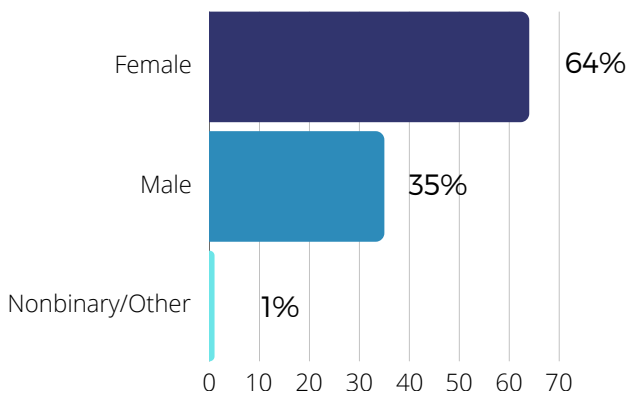

Between Fall 2020 through Spring 2023, **1,608 unduplicated Chabot students** received emergency aid. The majority, 1,573 students, received just one award. The following charts depict a **strong correlation between emergency aid, persistence, and course success**, supporting the need to continue this promising practice.

### RACE/ETHNICITY

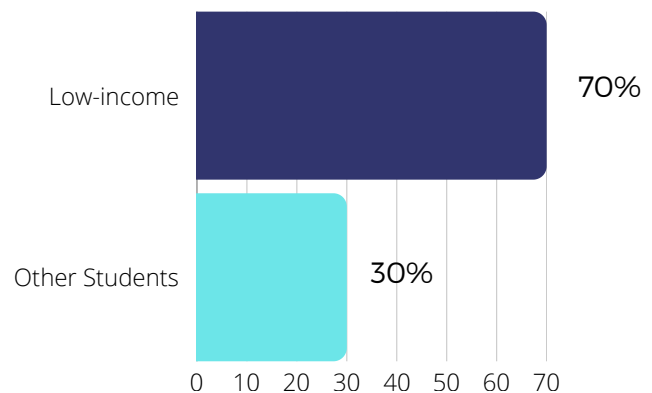

### GENDER

64% of recipients are **female**.

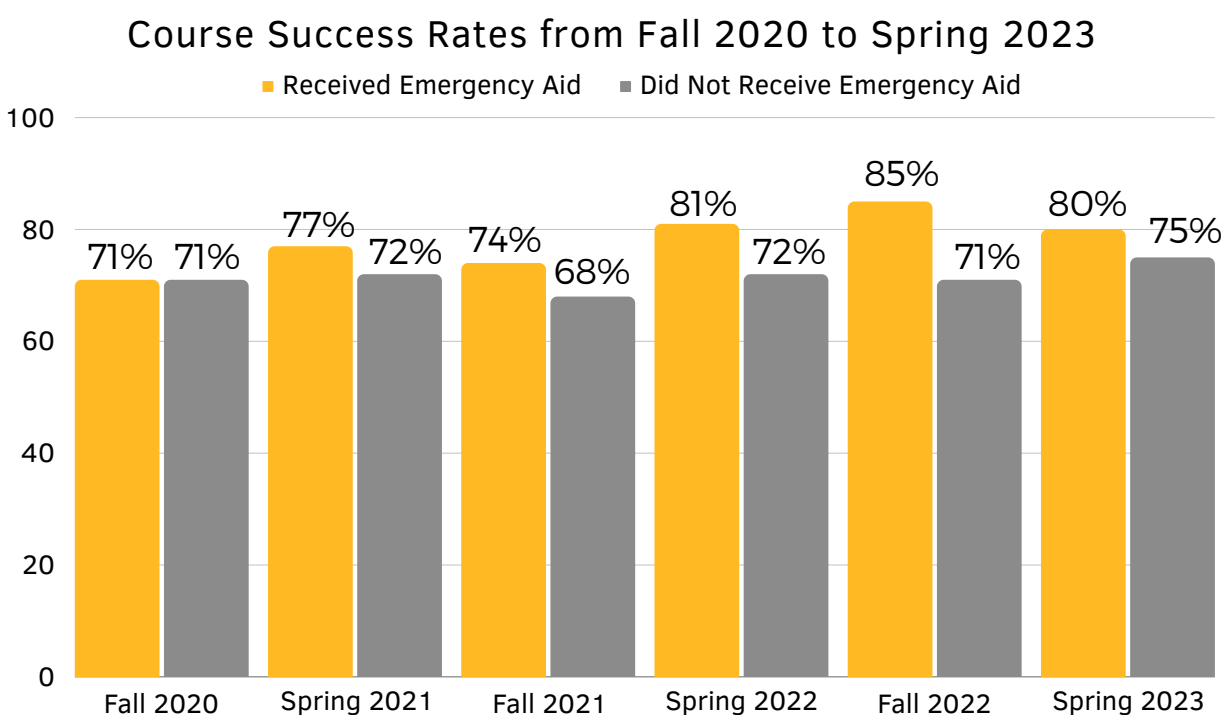

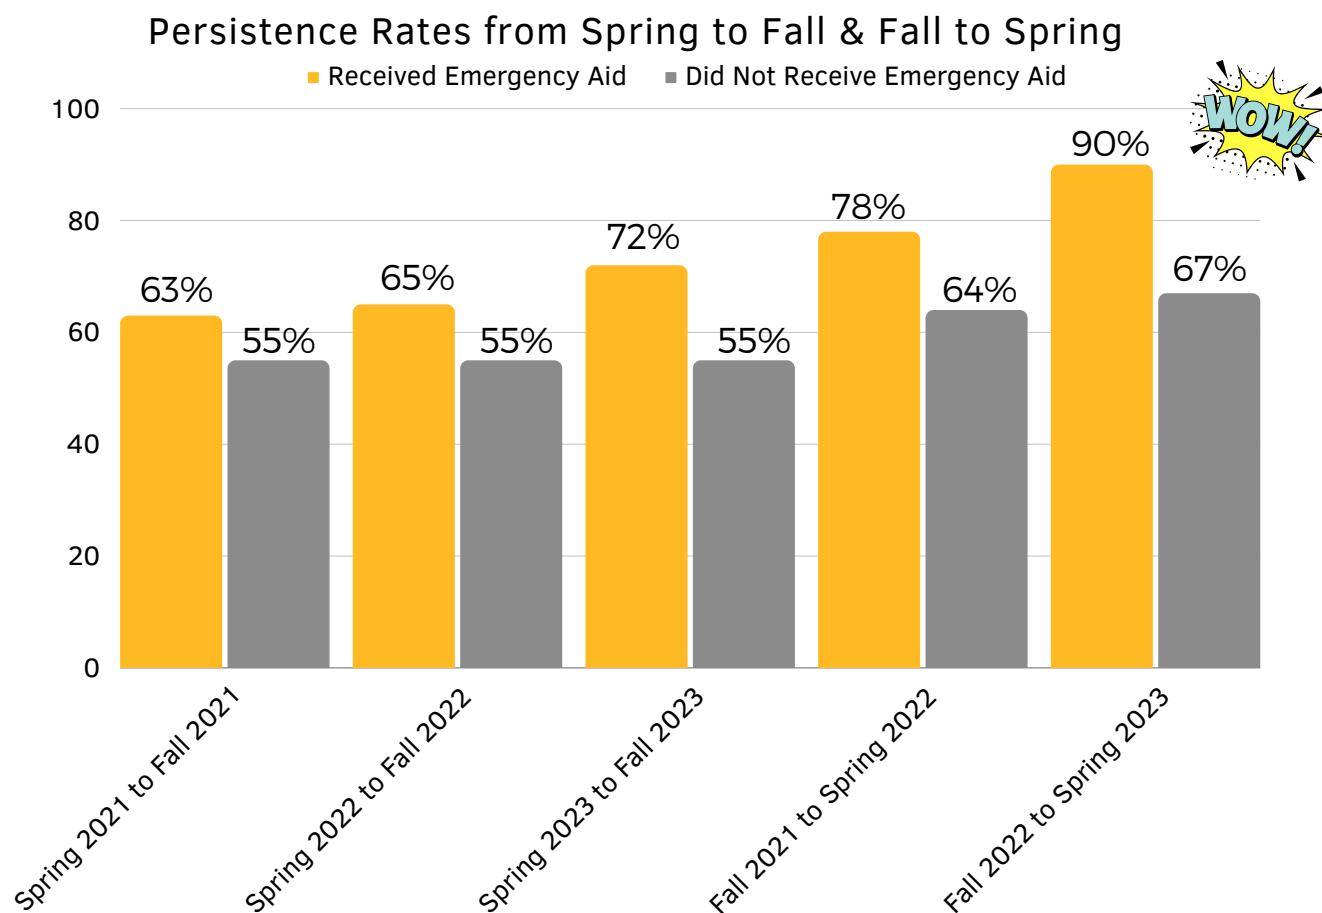

### INCOME STATUS

70% of recipients are **low-income**.

## ALUMNI & FRIENDS CONNECT WITH COMMUNITY

The Alumni & Friends Association welcomed over 200 new Alumni from the Class of 2023 and engaged with the community more than ever this year. The team hosted **Community Hikes** at Garin Park and the San Leandro Marina and met for **Coffee and Conversation** at Doug's Place, Dirty Bird, and Brewja Coffee. We celebrated the **City of Hayward's 147th Birthday** in Downtown Hayward and raised funds for the American Cancer Society through the East Bay **Relay for Life**, hosted at Chabot College.

In honor of Earth Week, the Alumni team had the opportunity to host a **Foraging Tour**, which introduced information about ethical foraging, discussed nature, and provided space to admire our own Chabot backyard.

Over 60 attendees joined the Kennedy Park **Family BBQ Picnic**, connecting current and aspiring Early Childhood Development teachers and K-12 educators, alumni, community partners, friends, and family. City of Hayward Mayor, Mark Salinas, and Caesar's Chicken helped make this event a hit.

Last, but not least, the team held **fundraising** events, hosting a booth at the **Chabot Flea Market** and supporting beverage sales at **Broadway's Best** show.

### In 2023, Alumni & Friends:

- **Connected with 166 unduplicated people through events,**
- **Raised \$548 for the American Cancer Society, and**
- **Raised \$500 at the Flea Market for future events.**

None of this would be possible without the efforts of the Alumni & Friends Planning Team of: Anamarie Navarro Tabujara, Blessing Morris, Nicole Albrecht, and Patrick Mwamba

### Stay Tuned for Our Largest Mixer Yet!

In Spring 2024, Alumni & Friends plan to host our largest mixer yet, bringing together Alumni, friends, and community members for networking, fundraising, and fun!

## BRICK ENGRAVING

On October 16, **Mattos Monuments** provided top-notch engraving services to support our annual brick fundraiser. The next time you are at Chabot, check-out the latest brick engravings located in the breezeway between 700 buildings.

## FCC WELCOMES NEW BOARD MEMBER

The Friends of Chabot welcomed new Board Member **Olga Rosales Salinas** in 2023. As the Managing Editor for San Francisco Bay Area Moms, Board Member Rosales Salinas hosts a podcast called

Hella MomVersations. Her bylines have appeared in palabra by the National Association of Hispanic Journalists, Voices of Monterey Bay, Jumble & Flow, and others. Birch Bench Press published her debut collection of poetry and prose, *La Llorona*, in 2021.

In 2019, her philanthropy and activism began with a non-profit benefiting first-generation and immigrant students, The Rosales Sisters' Scholarship. As the President and Co-Founder, the organization has supported 32 students on their road to college on the central coast of California and in the Bay Area.

It's not too early to order your commemorative brick for next year!

## COLLEGE DAY SOCIAL

To help launch the 2023-2024 school year, the Friends of Chabot College sponsored a College Day Social for employees on August 15. The event featured brats, brews, Cindy's Soft Serve, music, and great company. Thank you to everyone who helped support the event and joined us in welcoming new employees and the new College President.

## OVER \$70,000 RAISED AT THE NINTH ANNUAL GALA

*Photos by Christopher Mercado*

The Friends of Chabot held its 9th Annual Gala on Thursday, October 12th at TPC Stonebrae. It was a sold-out event with 150 district, college, business, and community leaders in attendance. This year, we spotlighted Chabot's Disabled Students Programs & Services and raised funds for the Accessibility Center for Education and emergency aid. Many thanks to all those who attended, donated auction items, made contributions, or lent words of support. Preliminary estimates show we raised over **\$70,000!**

In addition, we honored leaders who have made sustaining contributions to Chabot College and the community:

- Mr. Rafael Gonzalez, President, LiUNA Local 304
- Ms. Julie Moore and Ms. Julie Zhu, Fremont Bank
- Dr. Susan Sperling, Chabot College President Emeritus

## GRANT PROJECTS AT WORK

### TRIO ETS FORENSIC SCIENCE CAMP

This past summer, TRIO Educational Talent Search (ETS) hosted a Forensic Science summer camp for our TRIO middle and high school students. As is the case with educational impact, it took a village. Thank you for:

- Use of the lab space and equipment (VP Forbes)
- Woven Learning and Technology, our educational partner and program provider, along with Denise Cuevas, our instructor
- Presentations from Jessica Vile on behalf of the Administration of Justice program, Detective Boucher, and Hayward PD
- HUSD Nutrition Services for breakfast and lunches
- Hello Insight, our social emotional learning evaluation tool

Summer Camp's existence and success would not have been possible without this support. The infographic (left) reflects the camp's impact.

## PLANNING GRANT LEADS TO \$18.1 MILLION AWARDED TO BAY AREA K-16 COLLABORATIVE

On November 2, the **Bay Area K-16 Collaborative** was awarded an \$18.1 million dollar grant from the state to support education-to-career pathways. The Bay Area K-16 Collaborative, led by the **Chabot-Las Positas Community College District**, encompasses five San Francisco Bay Area counties and includes two University of California campuses, three California State University campuses, seven California Community College Districts, fourteen unified school districts, the Alameda County Office of Education, five non-profit organizations, seven business networks, and two regional occupational programs.

## ZERO TEXTBOOK COST (ZTC) FUNDS

Over the past year, Chabot College applied for several state grants to support developing Zero Textbook Cost (ZTC) degree or certificate program materials. Multiple applications have been awarded with additional opportunities for funding and collaboration to be announced in the coming year. This has resulted in over 50% of Chabot courses being ZTC.

## RECENTLY AWARDED GRANTS

As the college continues implementation of institution-wide Title III Hispanic-Serving Institutions Science, Technology, Engineering, or Mathematics and Articulation (H.S.I. STEM) and Asian American and Native American Pacific Islander-Serving Institutions Program (AANAPISI) Grants, the past year brought several new funding opportunities. Some recently awarded grants are highlighted below.
